ABOUT ME

I'm Ashik Hasan, a Full Stack Web Developer with 1 year of professional experience in building dynamic and responsive web applications. My expertise lies in both front-end and back-end development, allowing me to create seamless, user-friendly websites and applications.

I'm passionate about coding, problem-solving, and continually learning new technologies to enhance my skills. My goal is to deliver high-quality, scalable solutions that meet clients' needs and exceed their expectations.
